**GETS HIS WINGS! Climaxing a winter of study and flying practice when weather permitted, John Stanghellini soloed last week under Instructor Paul SanMartino at Mills Field and joined the rapidly growing fraternity of young American civilian air pilots.**

**Since last fall Stanghellini has been studying at the Civilian Flying School at Mills Field. He is aiming at 300 flying hours during 1941 and hopes for an instructor's rating before the year is out.**

## Bank of America Takes Eleven Straight Victories In Bowling Tournament

Eleven straight victories—that's the story of the Bank of America's sharp shooting bowling team. They're sitting on top of the standings in the Daly City Record Bowling tournament, now progressing each week at the local bowling alleys.

Last week the banking boys shut out D. C. Photo 3-0, while their closest rivals, Jew Town, were only taking two out of three games from the Independents. Jew Town slipped to second place. In third position is Hammar's Station, who beat Alert Van 2-1. After dropping the first game, Hammar's came back with a vengeance, scoring 991 and 962 in winning the next two games.

In computing the average scores made by all the players in the tournament, up to the present, it is found that Warren, of Bank of America is leading, with 184. He's rolled twelve games for this average. Following him is Kennedy of Alert Van, with an average of 182. Third position falls to Grasse of Hammar Station with 180.

The next seven high men in the tourney are Ercolini (Hammar's), 175; Bertolozzi (Bank of America), 169; Boskey (Hilltop), 168; Noli (Hammar's), 166; J. Raposa (Jew Town), 165; Gabriellini (Jew Town), 163; and R. Raposa (Jew Town), 162.

Record high for a single game still belongs to Alert Van's Kennedy, with his opening game 266. Ercolini rolled a 257 last week, and this helped in piling up a record 638 for three games. High team score for a single game now

## Director Urges Recreation Survey

Considering the possibility that WPA aid for the Daly City Recreation department may cease by June 30 Bruce Boynton, local director, recommended today that a recreational survey be made of this community. This would pave the way for the creation of an independent recreation department for Daly City.

The survey would reveal the recreational needs of Daly City, its present and potential facilities, and the cost of fulfilling these needs. The survey would be made by a competent and experienced man from the federal or state office, said Boynton.

"The facts thus found could be presented to the city council, and the way would be clear for them to create a Recreation and Park Commission, independent of WPA," Boynton stated.

The urgency of the situation is caused by the approaching end

### First Of April Sees Upswing In Building

Showing a characteristic cyclic movement, Daly City building activity for the month of March took a decided dip, according to figures supplied by Building Inspector A. J. Bodien.

The first part of April has shown an upswing, however, and Bodien is of the opinion that building activity will be on the increase for some time. With the defense work as magnet, people are being drawn into the Daly City area. In a few months the new Hillside Boulevard tracts will be opened, and, according to Bodien, these areas should be taken up rapidly.

Permits for one four-store building, one five-room residence, and one six-room residence, were issued by the department during the month of March. Value of new building was $14,150. Alteration permits were issued to the value of $3,775.

## Sixth Draft Call To Take Thirteen

The sixth draft call, scheduled between April 21 and 25, will see the Daly City area sending the largest contingent of draftees of any town in San Mateo county. Thirteen young men, 11 white and 2 colored, will go from here.

The only other city in this county to send men is Redwood City, which will supply six selectees, four white and two colored.

Of the eighteen draftees sent to San Francisco in the fifth call, Monday, two were rejected by army doctors.

Of all those sent questionnaires twelve to fifteen per cent are being found acceptable by the local draft board, according to Mrs. Isabelle Flynn, draft board secretary.

The most frequent reason for rejection is, in Daly City as elsewhere, the fact that the candidate is married and has children.

In this area, a considerable number of young men are work-

The meeting, which is being sponsored by local patriotic groups, will be held at 7:30 p. m. Place will be announced next week.

Master of ceremonies will be Lieutenant Jere J. Ivers. The program will consist of a series of speakers, a number of moving pictures, and a question and answer period.

Applicants will have a chance to enlist at the meeting.

## Daly City Earns $847.50 Dividend

The City of Daly City has reason to be proud.

This community, according to word received from John C. Stirrat, manager of the State Compensation Insurance Fund, has established an excellent record for keeping down accident costs during the policy year ending July 1, 1940.

As a result, Daly City has received a dividend of $847.50—31.5 per cent of the annual premium.

In crediting Daly City with this record, Stirrat says:

"The attention which was given to accident prevention and the reduction of accident costs, together with the cooperation of city officials, has enabled the State Fund to effect this saving for the City of Daly City."

In discussing the report, Mayor John J. Fahey said, "I believe we are justified in saying that the city council and the other city officials have reason to be proud of the record this city has made."

## Patricia O'Brien To Girls' State

Mrs. Marce Trier, chairman of Girls' State for Daly City Unit No. 410, American Legion auxiliary, announced today that the Jefferson Union high school girl to represent Daly City at Girls' State this year will be Patricia O'Brien, 23 Risel street. Girls' State, to be held the latter part of June, is similar to Boys' State. Essentials of government and good citizenship are taught at the week's encampment at Sacramento.

When the sun rises this Sunday on Easter day, the first to greet it will be gathered about the foot of the cross on Mount Davidson, where the nineteenth annual Sunrise Easter Service will be held.

Towering 103 feet above the crest of the hill, the cross, massive in steel and concrete, is a familiar sight during the day to Daly City people. And during this week, holy week, the symbol of the Christian spirit is being illuminated nightly, and may be seen for miles around.

The service will begin at 5:30 a. m. with the San Francisco Municipal Band playing the prelude under the leadership of Phillip Sapiro.

Daly City and Colma churches will play their part in celebrating Easter with full programs of Masses and Confessions, for those of the Catholic faith; and talks, services, and musical programs for Protestants. Many local stores will be closed for several hours on Good Friday, the second most important celebration in the Church calendar.

## Round Robin Nears Finish

Approaching the finish of the regular play in the round robin badminton tournament at the Jefferson high school gymnasium, 21 tandems came down the stretch Friday night with some hard-fought competition.

Al and Pat were the surprise of the evening, winning four and losing one. Bob and Gertie continued in their winning form, and also turned in four victories and one defeat, as did Will and Frances.

As soon as every team has played twelve games the top six teams will play off for the trophies. Five teams have already finished their schedule play. The rest of the teams will probably finish by this Friday. A week from this date, Friday, April 18, is the time for the play off. The tournament is under the supervision of the Daly City WPA Recreation department.

Results of Friday's competition are:

## Director Urges Recreation Survey

of WPA's fiscal year, June 30. "The government may or may not continue to maintain its recreation department in Daly City," said the local leader. "If it does not, we will be left high and dry in the middle of our summer recreation activities, with the children just out of school."

The cost of a recreation department has been estimated at one dollar per capita—or $10,000 for a department in a city of Daly City's size. This estimation has been made by the National Recreation Board in New York.

With this money several leaders could be added. It would be used to purchase supplies and also to start long range building programs.

According to Boynton, the most efficient way to set up a commission would be by ordinance.

"When and if this is done," he said, "I believe the park and recreational offices should be combined into a Recreation and Park Commission. San Mateo, a larger city, has done this."

The commission would have five members, two to serve one year and three to serve three years. The present recreation committee was adopted by resolution and has little power, according to Boynton.

The Daly City WPA Recreation department was begun December 27, 1937, and up to the present time has employed a total of fifty persons. Top load at any one time has been twenty. Since October, 1939, the department has consistently carried seventeen employees.

The federal government has paid on an average of $1600 a month in salaries to the local department.

"As indications that the local recreation set-up has been efficient and well-regarded," stated Boynton, "in 1939 it was used by

## CHARGE RECKLESS DRIVING

Officer Joseph Kusber brought charges of reckless driving against Keith C. Morgan, Hotel Petaluma, in Judge Wade H. Clay's court, Friday.

Kusber accused the defendant of traveling at a high rate of speed and then applying his brakes, which caused him to skid ninety feet into another car. Judge Clay fined Morgan $50 and instructed him to repair all damages upon the other car.

Guido Bertini, 52 Vendome avenue, Daly City, forfeited $10 bail in payment of a fine for being intoxicated in a public place. Also forfeiting $10 bail for intoxication was Carl W. Doherty, 901 Fillmore street, San Francisco.

John Rossi, 933 Hensley street, San Bruno, pled guilty to a charge of drunken driving. His $50 bail was forfeited in payment of his fine.

Speeding cost Lawrence R. Harrigan, 20 Graston, San Francisco, $10. Other speedsters paying $5 included: Aage Hjalmer Hansen; William Gee, 605 Burlingame avenue.

Thomas Hogan, 55 El Camino, Burlingame; Benardo Petrini, Colma; George Winsted, 239 Romain street, each paid $2.50 for speeding.

Flynn, 3305 Twenty-First street, San Francisco; M. Rush, 349 Thirty-Eighth street, Oakland, each paid $2.50 for going through signals.

## *This Easter Dinner parades a new dish for its meat course*

by Dorothy Greig

GRANNIE, who always seized upon any excuse for adding a special touch to a meal, would say, "Easter is the season of the year in which new fresh things are sprouting, from the tulips in my garden to young love among the boys and girls. So what more appropriate time to sprout a new idea on dinner?" Whereupon a new dish or two would make their appearance, all of which increased the light hearted cheerfulness of Easter dinner at Grannie's.

I thought of that the other day when tasting a new casserole dish. Instead of the usual baked ham or roast for Easter dinner, why not a great deep dish filled with a lazy simmer of diced pink ham and tender cubed chicken meat blended with heavy cream and condensed cream of mushroom soup, and capped proudly with broiled mushrooms. Ham, chicken, mushrooms—three flavors, each one delicious in itself and of what savory goodness when mingled!

A menu for Easter dinner, planned around this casserole dish might be this:

*Hot Bouillon with Onion-Parmesan Rings*
*Casserole of Chicken and Ham with Broiled Mushroom Top*
*Parsley Potatoes*
*Broccoli with Lemon Butter*
*Hot Cornbread*
*Tossed Green Salad*
*Chocolate Mocha Cake with Cream Custard Filling*
*Coffee*

The instructions for making the casserole are:

**Casserole of Chicken and Ham with Broiled Mushroom Top**

2 cans condensed cream of mushroom soup
1 cup cream, heavy
2 cups chicken, cut into ½ inch squares
1 cup ham, diced
2 cups broiled mushrooms for top

Combine the cream of mushroom soup and cream to make a rich sauce. Add the ham and chicken and put into a casserole. Arrange broiled mushroom caps over the top and bake in a moderately hot oven (375° F.) for 25-35 minutes or until brownish and bubbling. Serves 6-8.

## Roger Herman Lorenz Christened March 23

The eight-month-old son of Mr. and Mrs. Herman Lorenz, 285 Citrus avenue, was christened Roger Herman, Sunday, March 23, at Our Lady of Perpetual Help church. Performing the rites was Father Thomas Phelan.

The baby's maternal grandmother, Mrs. B. Durbin, is his godmother, and L. Durbin, the baby's uncle, is his godfather.

The ceremony was performed before a small group composed of the immediate families. After the services, refreshments were served at the Lorenz home.

**Measure Warmth**

A machine has been devised for measuring the warmth of fabrics used in clothes and bedding.

"We feel that this is an exceptionally worthy cause," said Mrs. George Sorg, who is in charge of ticket sales. Tickets for the event may be secured at her home, 115 Knowles avenue, or from any member of the girl scout committee.

## Time To Spruce Up!

Here is Spring, displaying to all California the stunning symphony of colors in her new floral garb, but are citizens taking the hint?

With Nature showing her cooperative hand in adding to the beauty of our surroundings, this is a time for citizens to rally to her support. Brighter, more attractive homes, and a more eye-appealing community, await only the addition of a moderate amount of elbow grease without any great expense being involved.

It may be time for that overdue coat of paint on the house. Why delay longer over clearing the backyard, back lot or garage of a pile of odds and ends which have been a blot on the landscape as well as on your conscience? Don't forget, in making your Spring survey, that a new coat of window trim can do wonders in brushing away the marks of Time and brightening the appearance of any dwelling. Superannuated lawns turning brown and bald are definitely at retirement age and need to be replaced by a green carpet of young grass. Incidentally, those with a dislike for pushing lawn mowers have here a chance to plant the cover that will suit them—a lawn of lippia, ivy or camomile. Nor in this sprucing up season, should it be forgotten what a difference the addition of flowers and shrubs can make to the eye-appeal of a residence.

Because everyone likes beautiful surroundings—to look at as to live in—well-kept homes and lawns are one of the best services citizens can render their community. Visitors and tourists will carry away with them an impression of a healthy, wide-awake community, one whose people take a genuine pride in the appearance of their city.

This is the time for action, the month to clean up, spruce up and beautify. Why not make a start today?

One day he was driving a spirited team in Washington, exceeded the speed limit, and was arrested by a colored policeman. The President put up a deposit of $20, but never appeared at the police court, and commended the colored policeman for doing his duty.**

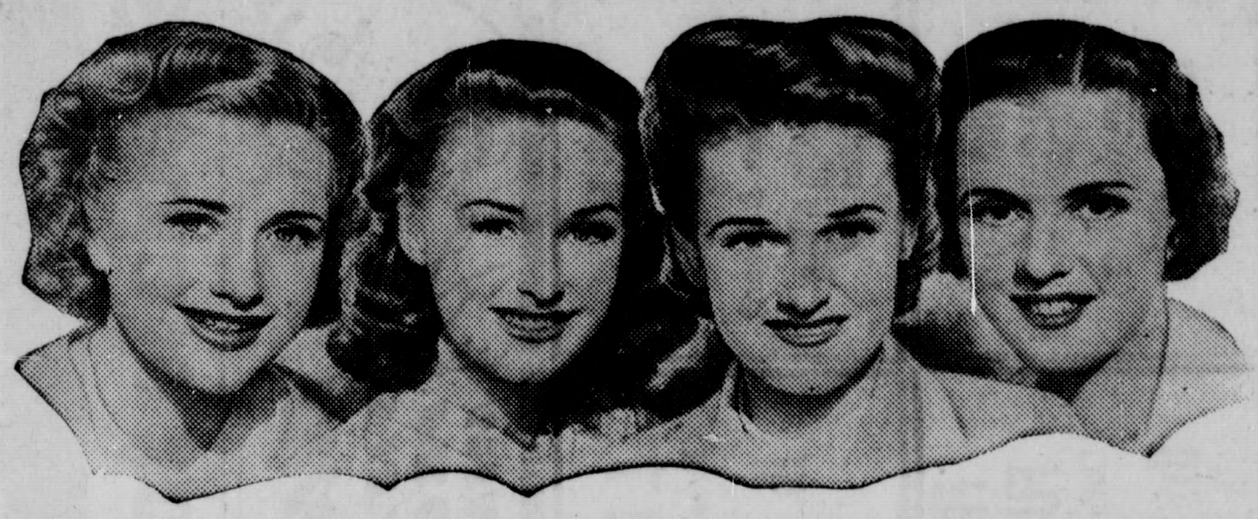
# "Four Mothers" To Play Here On Daly City Screen

"Four Mothers," the latest of the gay, charming "Four Daughters" series will make its local debut at the Daly City theatre on Sunday. All the favorites of the Lemp family are back in this newest adventure. The story is more dramatic than its predecessors because now the Four Daughters are Four Mothers, yet it contains much sparkling humor.

The cast stars the Lane sisters Priscilla, Rosemary, and Lola together with Gale Page as the Four Mothers. Adam Lemp, honest, respected citizen of Briarwood, and devotee of Beethoven, is played by that grand actor, Claude Rains. His wise, philosophical sister, Aunt Etta, is portrayed by May Robson. Jeffrey Lynn, Eddie Albert, Frank McHugh and Dick Foran are cast as the husbands who are ideally suited to their wives.

Adam Lemp persuaded many of the townfolk to invest in some property in Florida that his son-in-law Ben (Frank McHugh) owned. When a hurricane came along and devastated the area, Adam felt as if he were responsible for the loss and sells his property in Briarwood in order to repay his friends. This warm story of how a great family helped themselves escape the disheartening results of adversity by working together will always be remembered. It is not only the story of a family's sacrifice. It is a story of faith in the little man.



**A HAPPY FOUR-CAST — Priscilla, Rosemary and Lola Lane and Gale Page, the "Four Daughters" who captured your hearts in their first Lemp family picture, are back with their babies in their grand new hit, "Four Mothers," which opens at the Daly City theatre, Sunday.**

## Charge S. F. Man With Reckless Driving

After the impact Kerger continued up Mission until he was stopped by the deputy sheriff who held him until arrival of Daly City police.

**Unwanted Silk**

Because of the low American demand for raw silk, the fiber has been piling up unsold in Yokohama and Kobe, and reelers are trying to sell so as to get cash to buy cocoons.

So far, only two Daly City cases have been taken to the San Jose Appeal Board, No. 9. In each case the decision of the local board has been upheld.

## At Woodrow Wilson Elementary School

**EIGHTH GRADE**

Gardening has become a decided interest to students of the high eighth grade. A miniature hot house constructed by Carlo Bigazzi, has prompted students in the room to bring plants.

The botanical names as well as common names of many flowers are being mastered. Carlo Bigazzi, Kenneth Linhares, Bill Reardon, and Billy Higgins have all contributed plants for the hot house.

**SEVENTH GRADE**

Students of the seventh grade visited the Thorne Miniature rooms, which are on exhibit at the Legion of Honor.

The children heard an interesting lecture on the origin of the display.

**HIGH SIXTH**

The students of the high sixth grade welcomed Jimmie Blakemore, Sacramento, into their class room, last week.

**ROOM 14**

Having worked diligently since January, several children in Room 14 have gone away for their Easter holidays.

Norma Rovere went to Sunnyvale with her father and mother to visit with her uncle.

Donald Evans plans to spend the week with some friends in Woodland.

Elizabeth and Bertha Peltier journeyed to Redwood City with a lady neighbor to see the scenery and visit friends.

Ethel Van Den Berg will spend the week in Menlo Park. She is being accompanied by her parents and sister.

Leo Melani and the rest of his family will spend the week with relatives in Heywood.

**ROOM 12**

In order to become more familiar with the farmers of our country, the children of Room 12 are making a model farm. When it is completed it will contain buildings, farm implements, and animals.

Through the making of this farm, the children will have a better knowledge of farm products and the importance of these products in their every-day lives, stated their teacher.

**EASTER EGG CONTEST**

Students at Woodrow Wilson elementary school displayed a great deal of enthusiasm during their art periods last week. The occassion was an annual Easter egg decorating contest. Each student decorated a hard boiled egg to represent some personage. Some of the outstanding personages represented were: Donald Duck, Leopold Stokodski, Peter Rabbit, Uncle Ezra, Uncle Sam, sailors, soldiers, college professors and Spanish beauties, from South America.

The following students received prizes for having the most outstanding creations: Room 4, Frank Devlin, Hugh Llewellyn, Robert Silicani, Francis Oxley, Lois Clarke, and Kathleen Dawe; Room 8, Glen Wilkes, Alfred Moody, Margaret Finsterbusch, Marian Lozano, and Hazel Henrickson; Room 5, Rita Lozano, Helen Green and Katherine Brooks.

**PICTURES**

"Blossom Land" was the excellent film shown to the seventh and eighth grades, through the courtesy of the Pacific Gas and Electric company, last week.

## At Crocker School

**ROOM 2**

The pupils of Room 2 visited the museum in Golden Gate park, last week. They learned more about the various habits of the American people. The information they gained proved to be quite helpful in their study of Colonial life.

**ROOM 3**

Last Tuesday, the children of Room 3, accompanied by their teacher, chartered a special bus and motored to Golden Gate Park museum. The children went to view the exhibits of Egypt, Rome and Greece. After the trip through the museum a walk through the Japanese Tea garden was greatly enjoyed.

**ROOM 4**

In Room 4 a quiz contest in English was held, between the boys and girls. Bessie Louis acted as Professor Quiz.

Each contestant picked his own question from the English question box, and was given 30 seconds to answer the questions.

Excitement ran high as the scores continued to keep step with each other. At the end of the contest period the girls were victorious.

**ROOM 5**

Pupils of Room 5 are busy planning a play from the Greek myth, "Pluto and Persephone." The students have learned in their unit of study, "Farming Through the Ages," that this story was a favorite of the Ancient Greeks. Each year the story of Persephone was dramatized to celebrate the harvest and to encourage the Greek farmers.

In charge of directing the production is Janet Warren.

**VOLLEYBALL**

The Crocker girl students of the seventh and eighth grades have organized a volleyball team. During recess and after school the team can be seen hard at work practicing.

## At Jefferson School

**KINDERGARTEN**

All last week, the little tots were hard at work on their Easter projects. Some of the children made Easter cards for mother and daddy, while others finished stuffing their bunnies.

Easter songs were learned and sung by the students. During their rhythmic activity period the children imitated bunnies.

**SEVENTH GRADE**

Students of the seventh grade had a delightful and enjoyable art lesson, last week. Under the supervision of their art instructor, Mrs. R. Corral, the class participated in a competitive Easter egg decorating contest.

The Easter bunnie would have been well pleased if he could have seen the egg parade lead by the white-haired, spectacled professor and followed by the little dunce, complete with his fool's cap. Each member of the class did such a marvelous job of dressing up their Easter egg it was hard to pick the winner, stated Mrs. Corral.

After much deliberation the following students won honors for their eggs: Hubert McDaniel, Irene Garibaldi, Harold Bocci and Marian Puccinelli.

## Miss Dorothy Fuchs Exchanges Vows With George Leonard

"I do's" were exchanged early Saturday afternoon by a popular Colma girl, Miss Dorothy Fuchs, and George V. Leonard, San Francisco. William N. Fuchs, father of the bride, gave his daughter in marriage.

Miss Fuchs was graduated from Jefferson Union high school, and Munson's business college. She is the secretary of Richard Crane jr., district superintendent of schools.

The popular couple were attended by Marjorie Fuchs, sister of the bride, and John Pitcher.

An ensemble of Indian brown trimmed with white accessories was worn by the bride. Her flowers were fashioned into an old fashioned bouquet. The maid of honor also carried an old fashioned bouquet of mixed flowers.

At the close of the ceremony the couple was honored at a home reception given by the bride's parents. Over sixty guests were present to bestow congratulations upon the bride and groom.

The newly-weds are spending a week's honeymoon in Southern California, and plan to return to their home on Dolores street, San Francisco, Sunday.

The ceremony was performed by Father Quorke in Holy Angels church, Colma.

### Campus Fashions

While the Easter bunny is putting the finishing touches to his Easter eggs and baskets, let me give you a last minute peep into our Easter showcase.

The Ohs! and Ahs! will rise as you parade down the sidewalk in this little outfit of glamour. The dress is made in one of the newest spring shades of Indian brown. There is just a faint thread of white running through the material to give it a soft design. The skirt is fashioned with the slim silhouette to the hips and then falls away into soft unpressed pleats.

Your hat, purse and gloves are white with a faint Indian brown trim, while your shoes are a pair of high heeled, white sandals. Finish with a pair of the new Indian shade silk hose for perfect harmony.

Just in case your heart is still with the navy, why not give your Easter outfit the dashing effect of being a naval office in "Girl's clothing?"

The darling patriotic suit I spied on my rounds of the stores was cute as a bug's ear. It was fashioned in cool novelty weave, sheer rayon of navy. Trimming the smart jacket in a huge crisp pique of red and white stick-candy stripes is a wide-reverse sailor collar.

Just to finish up the costume with a last "navy" touch, get navy gloves trimmed in red, and top your baby curls with a perk sailor hat. Slip a pair of dark navy, low heeled pumps on your feet and you will be sure to receive the vote for being one of Daly City's best dressed young women.

This week's fashion Miss is none other than Dorothy Durbin. Dorothy is a high junior, comes from Bayshore, likes nice clothes, and disapproves very heartily of girls who wear too much make-up.

Our Miss fashion was stunningly dressed in a chocolate brown light wool dress. Around the collar and down the front was a thread of light beige. For decoration she had two tiny Dutch dolls.

Dorothy has a pair of the prettiest eyes I have seen in a long time. Sort of a grayish-green that just sparkle with fun and amusement. To our choice of the week goes this fashion bouquet.

### Sports

Thursday the Jefferson varsity took the Balboa Pirates for a ride, and in turn the frosh - soph lost their shirts to the Balboa little men. The score stood at the end of the playing time: varsity 5-4, in favor of Jefferson, and frosh-soph 6-2, in favor of the Pirates.

The varsity boys linel up as follows: Valente, third base; Huerta, catcher; Christian, left field; Sharp, short-stop; LeKoff, first base; Razzari, second base; Nava, center field; Ruppert, right field; Poddig, pitcher.

Line-up for the frosh-soph included: Chreisten, short-stop; Fazzio, center field; Freeman, pitcher; Tuvo, catcher; Aiello, second base; Dave, left field; Cavagnaro, third base; Wright, first base; Fellows, left field.

**BADMINTON**

A tournament is being planned for after Easter vacation. The dates and players will be announced later.

**TRACK**

Friday's track meet with South San Francisco high school was postponed because of the weather. John Matthews, coach, will announce the new date for the meet later.

Coach Albert Biggs also will announce the new dates for the first two league baseball games. Both games were called off because of the rain.

### Music

When you mix Easter and vacation together it adds up to "not much" news. So goes it with this week's music column.

**COWBOY BAND**

Dante Lembi's Cowboy band played for the Half Moon Bay high school senior play, Friday.

They were given quite a reception and proved so popular that they were requested to play several extra numbers.

**CHORUS**

"There are several musical events coming up in the near future," announced Oscar Busch, music instructor, today.

On Friday, April 18, the chorus will present a musical program to the students. For this event the chorus will sing the following numbers: three negro spirituals, "Deep River," arranged by Dett; "Steal Away," and "Go Down Moses." Louise Baciocco will be the soloist for "Steal Away."

"Ave Maria," by Schubert, will feature the voice of Ardis Hatton. For the two closing numbers the group will sing "As Torrents in Summer," by Elgar, and "The Lord's Prayer," by Dies.

Busch also announced that his woodwind group is working hard in preparation for a program to be presented to the CSF group. The time has not yet been set.

The group will consist of the following students: Lloyd Rentsch, second clarinet; Harvey Melicker, French horn; Jack Chapman, bassoon; Oscar Busch, oboe, and Eugene McClain, piano.

## Mothers Club Plans Annual Night Whist

Once a year the Mothers Club of Our Lady of Perpetual Help school sponsor a mammoth evening whist. This year the date has been set for Friday evening, April 25. Playing will begin at 8:30 p. m. at Theatre hall and everyone is cordially invited to attend.

Mrs. C. Mullen has been named chairlady of the evening whist and announces that many attractive prizes, as well as a cash first prize, will be awarded.

Final plans for the big event were drawn at the regular monthly meeting of the Mothers club, Friday evening at the Parish school. This month, due to Good Friday, the Mothers club met on the first Friday of the month, rather than the second.

## Bethel 68 Enjoys Slumber Party

Girls of Daly City's Bethel No. 68, Order of Job's Daughters, had a full program of fun, Saturday evening.

Ice-skating, theatre and a slumber party were all combined to make a big evening for the girls. Approximately seventeen girls and their friends enjoyed the evening rollicking on the ice at Winterland's ice-rink. For girls who weren't quite so steady on the shining blades, a theatre party was held.

At the close of the evening all girls met at the home of their guide, Miss Shirley Woltzen, 50 Urbano drive, San Francisco, for a "slumber party." The "slumber party" is a semi-annual occasion when all the girls get together at one home and spend the night. Eats are enjoyed and games played 'til the wee hours of the morning. Entrance fees to the fun are bed-rolls and pajamas.

Acting as chaperones for the event were: Mrs. Claude Lacour, Mrs. Ronald Cameron and Mrs. John Price.

Jack Price, who has been adopted by the girls as their "Uncle Jack," chaperoned the girls on their skate.

Those girls attending were: Lorraine Colliver, Anne Cameron, Lois Almquist, Barbara Elston, Beverly Dairs, Earlene England, Lois Baker, Shirley Yates, Margaret Barrick, Bonnie McKenzie, Lillybell Fletcher, Lois Foster, Alice Jorgensen, Irene Johnston, Barbara Callahan, Cathryn Shaw, and Shirley Yates.

Tonight at 7:30 p. m. in Masonic temple, the bethel will hold a short business meeting.

## Hillcrest Druids Aid Half Moon Circle

Members of the degree team of Hillcrest Circle, No. 143, U. A. O. D., travelled to Half Moon Bay, Sunday, to put on the degree work for Half Moon Bay circle's initiation. Accompanying them was Mrs. Madeleine Fellows, grand arch druidess of the State of California. It was a special meeting for the initiation. Several members of Hillcrest circle also attended.

Plans for the official visit of the grand arch druidess to Hillcrest circle are progressing, according to the officers, and an unusually impressive evening is planned.

Members of Hillcrest circle today expressed their earnest hope that Mrs. Hazel Keagle, arch druidess, has a speedy recovery. Mrs. Keagle, who underwent an operation at St. Luke's, Saturday, is well-known in Daly City where she is active in many club and social events.

## Director Urges Recreation Survey

(Continued from Page 2)

WPA as a model. WPA officials from over the United States, when on trips to the West, were shown the Daly City recreation department as a good example.

"And the Daly City council has never hesitated to supply the needs of our department as they came up," he said.

Personnel of the local department has recently been cut by WPA to four leaders. All supervision except in sports has been, of necessity, stopped.

Says Boynton, "Daly City really has no recreational facilities for its children. Schools, churches, lodges, serve only a small group. There is no place for young people to have dances. They must go into San Francisco for these things.

"Daly City should be able to take care of the recreation of its own children," he said, "and this may be done by setting up a Recreation department independent of WPA."

### Hull Mentioned

During a press conference in Washington, former Gov. Alf M. Landon of Kansas, inadvertently referred to Secretary of State Hull as "President Hull."

"Is that slip significant?" inquired a reporter.

"Not especially," replied the 1936 Republican presidential candidate, but he conceded that if the Democrats picked Mr. Hull they would at least have a good candidate.

## Mrs. Lombard Chairman For Whist

Mrs. Victorine Lombard, well-known member of Hillcrest Circle No. 143, U. A. O. D., is chairman of the monthly whist to be held, Monday evening, April 14, at Masonic hall. She issued a cordial invitation to all local whist players today.

"You may be sure of an interesting evening and many attractive prizes, including three cash prizes," said Mrs. Lombard.

Playing will begin at 8:30 p. m. In addition to the whist, a beautiful quilt, made by members of Hillcrest circle, is to be awarded.

Members of Hillcrest circle will attend a business meeting at 7 p. m. before the public whist.

## Cub Pack 141 Holds Meeting

It takes a real Indian to beat a tom-tom as it should be beaten. Of course, Cub Packer Robert Thompson is not all Indian, but he's partly, so he was chosen as official tom-tom thumper from the local Cub Pack 141 for the tom-tom ceremonial at the San Francisco Scout-o-rama.

Who knows? He may throw in a few unofficial war-whoops for good measure.

Other business at the monthly Cub Pack 141 meeting and parents' night, Friday evening, included the presentation to Richard Walker of his wolf cub badge. Richard will enter the scout troop in a short while.

Den No. 4, which has been inoperative for some time, was reorganized with Mrs. Raymond Lagomarsino as den mother, and Keith Claussen as acting den chief.

Den No. 1, with Mrs. Willard Bock, den mother, put on a musical number as their stunt. Walter Worth was violinist, Leslie Bock and Den Chief Thomas Tromborg, guitarists, and Robert Benasinni, pianist. Raymond Lagomarsino, the only member not a musical student, dressed as Jack Benny and directed the music with many comic antics.

Den No. 3, with Robert Thompson and Lyle Pense, acting the parts, depicted a desert scene. At one time they showered the audience with rice instead of with what was expected—water.

The evening was rounded out with games and songs.

### Miners in Sunshine

Miners in the Bunker Hill mine, in Kellog, Idaho, must spend some time, nude, in a sunroom, when they come off shift, so they can get the artificial equivalent of several hours of intense sunshine.

## El Carmelo Ladies Attend District Meet

El Carmelo Parlor No. 181, N. D. G. W., was well represented at a recent district luncheon planned by Supervising District Grand President Mrs. Martha Bernasque and the deputies of San Mateo county. Held at the Benjamin Franklin hotel, the event, first of its kind, drew more than 175 members and guests. Accompanying the El Carmelo delegation were Mayor and Mrs. John J. Fahey. On the program, Mrs. Leroy Johnston, a Daly City woman, sang. Miss Virginia Cullen was her accompanist.

Principal speaker of the day was Miss Pansy Jewett Abbott, superintendent of San Mateo county schools. Her topic was "Tolerance and Justice." In an exceptionally earnest speech, she urged all present to teach the children and themselves to practice tolerance and justice in these days of trial. High officials of the Native Sons and Daughters also spoke.

Supervisor Fred Beer represented the Board of Supervisors at the meeting and many municipal officials from the Peninsula attended.

Present from El Carmelo parlor were Mrs. Helen Meyer, Mrs. Alice Oldham, Mrs. Eloise Schillig, Mrs. Helen Lynch, Mrs. Fredericka Volkman, Mrs. Katie Wight, Mrs. Pauline Quirolo, Mrs. Dorothy Donofrio, Mrs. Hattie Kelly, Mrs. Evelyn Bemis, Mrs. Irene Moresco.

## Mrs. Ingersoll To Entertain Scouts

After lunch the girls will adjourn to the living room to make posters for their huge annual camp whist. May 13 is the date set for the whist, and the Senior Girl Scouts send a special invitation to the public. The whist is held every year to help defer camp expenses of Daly City girl scouts. When the posters are finished, table games will be played. A date to attend the Ice Follies will be discussed by the girls.

Mrs. Ingersoll also wants to remind the girls of their swimming party, Friday evening. "Everyone is to meet at the pool, and after swimming, refreshments will be served at my home," concluded their leader.

"Saturday morning at 10 a. m., in my home," said Mrs. Ingersoll, "any girl scouts wishing to help make easter baskets for underprivileged children are welcome."
